A JOURNEY OF GROWTH AND DISCOVERY
QORTUBA CAMPUS

Dear Students, Parents, and Staff,

As I reflect on my first year as Director of our vibrant MGIS school community, I am truly amazed by the incredible spirit, talent, and dedication I have witnessed. From Nursery to grade 9, our students have not only excelled academically but have also embraced every opportunity to grow intellectually, socially, and emotionally.

From morning laughs to recess break races, from discovering new substances to testing complex scientific concepts, through schoolwork, projects, demonstrations and contests, you (our dear students) have demonstrated resilience, curiosity, and a commitment to excellence in every aspect of your development. Your devoted parents should be proud of you, and I want to thank them again for their continued support, trust and belief in our mission.

A special message to our exceptional Grade 9 students: as you move forward, carry with you the values and strength you've gained here. We are proud of who you've become and eager about your future. Remember to be patient and appreciative, and that small actions always lead to greater things in life.

To all our students advancing to the next level: may your journey ahead be filled with success, purpose, and joy. Our entire school community is here to support you, brighten your future, and help you create lasting friendships and memories.

With pride and appreciation,

Elizabeth

As I look back on this school year, my heart is filled with pride and gratitude. To our dear parents, thank you for your unwavering support and for trusting us to guide your children through these important early years. Your partnership made a world of difference.
